

Furnished Room to Rent in Vieux-Longueuil

Located on Lemoyne O St (corner Châteauguay) in Vieux-Longueuil, commuting to Champlain is done under 15 min with the bus right at the front door (line 29) or line 73 a 3 min walk and bringing you to the metro station. Walking to the subway station is also easy (15 to 20 min).

Ideal room for a student seeking a clean, cozy and comfy stay, in a quiet neighborhood close to the hype of the city. Rental price includes electricity, Wi-Fi and heating. Furniture in the room can be discussed (possibility to have a drawer or a desk). There is a big closet built-in. Price can be negotiated if the student is only present partially (i.e. leave on every weekend to go back home).

Room is free as of January. There is no parking available on the property, but there is plenty of it in the streets, although restrictions can happen on winter nights. There are parking zones nearby if needed, but this will be at the discretion of the student.

I am a young professional working mostly from home, and owner of the building. I have a cat that will share our lives. We will be sharing common spaces accordingly to house rules.
