THE IMPORTANCE OF STUDENT SUCCESS AT CHAMPLAIN REGIONAL COLLEGE

As students, you have come to Champlain with goals and objectives in mind that will evolve and be transformed throughout your stay at the College. For the majority of students, achieving student success will include some of the following:

- Transitioning successfully from High School to Cegep and from Cegep to University or to a career;
- Doing well in courses;
- Clarifying the choice of a future career or future studies;
- Obtaining a diploma;
- Learning about themselves and about others;
- Becoming active in the campus community;
- Taking ownership for their own education.

As an educational institution, Champlain is guided in its actions to support student success by its mission, values and vision, which can be found at:

<http://www.crc-sher.qc.ca/home/mission.htm>

As our mission states:

“The College is dedicated to fostering the individual success of its students and their development as well-rounded, responsible and informed citizens of the world.”

WHAT CHAMPLAIN DOES TO FACILITATE STUDENT SUCCESS

• *The Strategic Plan*

Champlain has adopted a strategic plan in which the first priority is *Facilitating and Enhancing Student Success*. This plan provides general orientations that guide the actions and initiatives of the College to support students in reaching their goals.

A condensed version of the plan can be found at:

<http://crc-sher.qc.ca/home/pdf/strategic/stratdoc003.pdf>

The full version of the plan can be found at:

<http://crc-sher.qc.ca/home/pdf/strategic/stratdoc004.pdf>

• *Measures to Support Students*

Through class instruction and office hours, teachers are available to students for support and guidance. To complement the key role of teachers, Champlain is offering a variety of services to help students achieve success. For example, students can benefit from:

- Academic Advising;
- Career Counselling;
- English-Language Support;
- Library Resources;
- Peer Tutoring;
- Personal Counselling;
- Special Needs Services.

Details can be found both on the College website and in the student agenda.
